PACE – Monmouth

If you will be entering 9th - 12th grade and enjoy:

- Math
- Science
- Technology
- Leadership
- Meeting New Friends

… Then PACE is for you!

PACE (***Program for Acceleration in Careers of Engineering)*** is a science and engineering awareness program in which professionals volunteer their time to work with African-American and Hispanic high school students to help prepare them for technical careers. You will develop new technical skills, learn about college admissions requirements, practice leadership, and develop career path & cultural awareness.
